**NGB-USA**

NGB-USA is a wholly owned American manufacturer of NGB plastic modular belting and distributor of ANB Bearings. Located in Newark Delaware, we specialize in the manufacturing and marketing of belts and accessories for the food industry as well as other general conveying applications.

NGB-USA is the sole source for NGB products in the United States and with our first belt being manufactured in 1973 we have over 40 years of experience in developing and creating a quality, long lasting, competitively priced, product.
